

Profile

OUR BUSINESS:

Engineering, Procurement & Construction

TECHNIP INDIA LIMITED (TPIL) provides the full range of solutions in Engineering, Procurement and Construction business with expertise and significant experience in Plant Design.

OUR LINEAGE:

Member of World class group

TPIL is the member of TECHNIP Group, which - with a permanent staff of about 19,000 and annual revenues of about 5 Billion Euro-ranks among the five biggest full service engineering and construction groups in the field of hydrocarbon and petrochemical facilities, as well as industries such as life sciences, energy and cement, etc.

BUSINESS ETHICS:

TPIL's professional activities are ruled by TECHNIP Group's code of business ethics, the main guidelines of which are a service-to-client oriented policy, backed by quality and professional excellence, the highest standards of honesty, integrity and fairness.

ACCESS TO TECHNOLOGIES:

- Ethylene
- Poly Propylene
- LDPE / LLDPE / HDPE
- PTA
- EDC / VCM / PVC
- Phosphatic Fertilisers
- Nitric Acid / Sulphuric Acid
- Caprolactum
- Methanol

KEY DATA:

Public Limited Company incorporated in 1998 with headquarters at Chennai, India.

SHAREHOLDERS:

- Technip Italy SpA
- SPIC, India

Workforce : 780 people

Manhours : 8,00,000 per annum

OUR FIELD OF ACTIVITIES:

- Oil & Gas processing
- Refining
- Petrochemicals
- Chemicals
- Fertilisers
- Life Sciences

OUR CONTRACT RANGE:

Highly flexible:

- Lumpsum Turnkey (LSTK)
- Lumpsum Services (LSS)
- Reimbursable Contracts (RC)
- Guaranteed Maximum Price (GMP)

Technip

OUR FACILITIES:

State of the Art

Office:

- Office Automation: Work Group computing
- Security: Intruder Alarm in sensitive areas
- Video conferencing

Communication:

- Full-fledged Telephone Exchange, E-mail, Internet & Intranet
- Dedicated Voice/Data Satellite Links to TECHNIP Group and other clients as required
- Backup data link with TECHNIP Group
- Fully connected Mail network with TECHNIP Group

OUR RESOURCES:

- Trained, Experienced and Dedicated Engineers
- Hardware includes Servers, Workstations, Microstations, Desktops, Plotters, Scanners & Printers
- Design Software includes both proprietary & commercially available latest tools such as:
 - ◆ HTRI, Chemshare, Libou
 - ◆ Aspen-Teams, Compress, Microprotol
 - ◆ PDS-Intergraph, Triflex, Caeser II, Pelican Forge, Drawiz, G-Mini, Marian
 - ◆ STAAD PRO, GT Struddle, Foundation 3D, Mat 3D, Speed IKON
 - ◆ ETAP, CANECO, SPElec
 - ◆ Intools
 - ◆ Primavera, S16, JANUS
- Confidentiality Management Systems

OUR QUALITY, HEALTH, SAFETY AND ENVIRONMENT:

Quality objectives govern the way TPIL conducts its business and the quality system is as per ISO 9001:2000 guidelines. The health & safety aspects are given greater importance and these concerns are taken into account at the earliest stage during design and appropriate measures are strictly applied at each stage of project execution.
